Winnipeg, June 12, 2017 – With the snip of scissors against a ribbon when the clock strikes 10 a.m. today, CAA Manitoba Insurance celebrates the official launch of Autopac services available at two locations in Winnipeg: Empress Street and St Anne’s Road.

“CAA Manitoba has a history of advocating for and protecting Manitoba motorists, and by adding Autopac, we’ve taken another step towards caring for all Manitobans,” says Mike Mager, President of CAA Manitoba. “We’re pleased to grow our products and services to provide even more convenience and peace of mind that fits and simplifies peoples’ lives.”

CAA Manitoba Insurance offers property insurance and Autopac services. The brokerage is located within CAA Manitoba service centers. The impressive array of services offered include travel insurance, personal accident, pet, life, health and dental. Manitobans can take advantage of a full-service travel agency and a wide array of travel and auto accessories, both in-store and online. CAA is also the exclusive provider of International Driving Permits in Manitoba for those wishing to drive legally in other countries.

Autopac and driver licensing services are available Monday through Saturday for all Manitobans at the Empress Street service centre and St Anne’s Road service centre. Dedicated and knowledgeable Autopac agents at each location can assist with purchasing and renewing Autopac products, including third-party liability limits or deductibles.
