RABER GARBAGE MITTS NOW AVAILABLE AT CAA MANITOBA

Tried, tested and true by the heartiest Manitobans – our drivers

Raber Garbage Mitts, like socials or a Salisbury House Nip, have become a quintessential word in a Manitoban's vocabulary, and for good reason. When it's colder than Mars, our drivers rely on the warmth and durability of Raber products, a product we are now proud to sell at CAA Manitoba.

"Both Raber and CAA Manitoba have been helping Manitobans deal with winter for decades," says Tim Scott, Vice President of Marketing and Sales for CAA Manitoba. "We are very proud to add garbage mitts to our growing line of quality merchandise available to both Members and non-Members."

"We have been proud to be able to remain a totally local company for almost 75 years," says Howard Raber of Raber Glove Manufacturing Co. Ltd. "It seems only fitting to partner up with an organization synonymous with a Winnipeg winter like CAA."

Boy's, youth and men's garbage mitts can now be purchased on the CAA Manitoba online store (shop.caamanitoba.com) for \$19.99, \$24.99 and \$29.99 respectively. Since 1941, these mitts have been Canadian made for Winnipeg winters.
